Dear Friends,

On behalf of the Board of Managers, the staff, volunteers, and most importantly the young men and women who serve our country and their families, the Armed Services YMCA Fort Liberty extends sincere thanks for your generous gift of \$1,000.00 on 7/19/2023.

For over 160 years, the Armed Services YMCA has been providing services to active-duty junior enlisted military personnel and their families. As we reflect upon the years of strengthening our military families, one thing is clear - we could not do our work without the generosity of supporters like you. Thank you.

Our essential no and low-cost family programs are critical to the physical and mental health and overall well-being of our military families. Over 30,000 engagements last year included our food pantry, which distributed almost 73,000 pounds of perishable and non-perishable items. We are excited to share that our children's programs are continuing this trend with record registrations for Children's Waiting Room and Operation Summer Camp. We have already delivered over 600 Baby Bundles to expecting parents and are well on our way to exceed last year's total. As the largest U.S. military installation in the world, we are honored to serve the Fort Liberty community. Your generosity demonstrates an appreciation for the sacrifices required of these dedicated service members and their families.

Please retain this letter as a record of your contribution for your tax files. Our branch-specific tax identification number is 56-2159770.

From all of us here at the Armed Services YMCA, thank you for strengthening our military family. We look forward to celebrating and sharing the remaining year with you.

Sincerely,

Jeremy Hester
Executive Director
